"I was quite flattered to be selected for this month's issue. I had a great time at the still and video shoot and I hope you like the images. I had worked out for six weeks before this and abstained from sex, too. That made me really horny when shoot time came and I was all over Jenner. I think he appreciated my abstinence, too."

"I really had a good time today. It was worth holding off on sex because I really got off, and I think he did too!. You can always tell when a guy gets off and I try to let them know when I do. I still find it really cool when his jizz spurts out of his cock head. It's an amazing thing that make me feel good inside knowing I helped him do that.

While you all were busy turning the pages and yanking off, we got a hold of these guys and their cocks. No one said that you can't fuck a guy and a girl in the same afternoon. Now that's a great double-header. Afterwards we all four jumped in the shower and lathered each other up and then washed it all off and we got it on again.

When I saw Jaime on the cover of your magazine, I had to buy it. She was and still is one of my favorite ladies. I think I've seen almost all of her movies and she's a great performer. I would jerk off to her all the time. Her rockin' body and amazingly good looks were always a turn-on for me. But I hadn't seen her in a couple years and then, there she was at my newsstand.

Thanks – Bryan, LA

French kisses and more

Reneé was blonde, smart, very sexy and she had a body of a top-model. She's French and I was vacationing in Monaco when we got to know each other on the Internet. We both discovered that we loved sex and decided to meet in Cannes and to make it happen. She invited me to live in her house in Nice and I was very surprised when she asked me to sleep with her from the first night. Of course, we began to kiss and then she asked me to lick her pussy. She was very satisfied, not only by the oral sex, but by all the positions we have tried, including doggy-style. I even had the courage to cum inside her, because I don't like to use the condoms. We spent many a day and night together for over a year and my sexual experiences got richer and richer. Now I feel that I'm able to do to a woman anything she wants me to do – regarding sex. I can do anal, oral, normal.

After a year we split and I met another French lady that I pursued for a few months. She was inattentive at first, but I think my persistence wore her down. One day she agreed to have dinner with me by the beach and afterwards we went for a walk along the promenade. We came upon a relatively secluded spot and I began to kiss her on her mouth, to suck her nipples until she got very excited and horny. Then we both went onto the beach and laid down on the sand. I started to kiss her body and my

dick got harder than ever. She grabbed my cock and pulled it into her pussy started to put my cock into her pussy. I began to push harder she started to moan loudly. I thought we were going to be discovered, but none of us couldn't stop. We both reached the orgasm quickly and we both were satisfied. I was happy because I succeeded to fuck her after all the time I spent chasing her. After that first night, she wanted to make love every time and everywhere. We liked to go out into nature and have wild sex away from everyone which was like a dream to me, especially because we were living in a very cosmopolitan city.

One of my favorite positions is when the girl sits on top of me and bends her body down towards me. I also like to take her with her back to me on her knees – doggy style. I'm not a big fan of having sex during winter, but during the warm and hot seasons, I'm ready to go all the time. I like European women and American women and would love to have sex with an Asian woman one day soon. I also like shaved pussy rather than the hairy pussy.

– Edourdo, back in the States

My best friend's girlfriend's friend

My names Patrick, I am 42 years old and if you ever had a hangover you know it sucks! This time it was a Friday night, and I had a bad headache from work so I asked my brother for a few aspirins and he gave me two and it helped. A couple hours later and feeling better, I got a call from my buddy Alvyn asking if I was into going out for a

while and I said 'Sure.' He then asks if he could bring his girlfriend and his girlfriend's friend so I said that would be fine with me. A half hour later he calls me and said they decided to go over to their house. I say 'Whatever. That's cool with me.'

They pick me up and we head out for their place. Alvyn's girlfriend's friend, Celine, was looking really nice with a nice rack and long slim legs. She wore a nice simple dress and had a great smile with full sensuous lips. When we got in Alvyn's car, she sat in the back with me and we made small conversation to get to know each other a bit. When we got to the house, we kicked back with some beers and sat down to watch some television in the living room. When I noticed it, the new TV was huge. Alvyn had been talking about getting a room-size TV and he almost did it.

"It's 72 inches." he said like a proud papa. The girls giggled. He put *And God Created Woman* into the dvd deck and we sat back to enjoy Bridget Bardot on the big screen. Thirty or forty minutes into the movie, I needed my drink refreshed and went into the kitchen with Alvyn's girlfriend to get some for everyone. "Celine wants to suck your cock." she said right out of the blue. I looked at her and just smiled. I didn't know what to say. When we came back to the living room, Celine was now on the sofa and Alvyn had moved over to the loveseat. They were trying to get me to sit next to her and I did. The movie ended an hour later and Celine puts her head on my lap as if to rest or catnap. But she then reaches over and puts her hand by my dick and began moving it around my crotch making me hard. She looks up, smiling at me and asked if I liked it and I told her I did. I look at Alvyn

and he motions me with a nod of his head that we can go use the guest bedroom. She took me by the hand and I followed her to the room. I closed the door behind us and turned the light off. She pulled me over to the edge of the bed and whispered "Get those pants off." I unzipped and slid them down halfway and she told me to lay down on the bed. Once I laid down she climbed on top of me and grabbed my dick and slid it in her mouth. It felt so good. She was moaning while twirling her tongue around the tip of my dick and then she would go further down and come back up. It was great. I started to play with her boobs and she was going faster and faster

until I couldn't take it anymore. I told her I was going to cum and she just kept sucking I then shot load after load down her throat. Some was dripping on to my dick and she licked it off. We disrobed completely and got horizontal on the bed. We fucked all night until the sun came up and did it for a couple hours more. It was an amazing night and I've been seeing Celine regularly. Her sexual appetite has not diminished and mine has grown. If things stay like this for a few more months, I may pop the big question.

I hope you liked my letter. I've never written to a magazine before and its probably going to be my only time, but I just had to.

— Patrick, Pasadena, CA

I'm in love with lesbian sex scenes. They are the hottest erotica on earth. Forget a girl and guy schtupping. I love lesbians. When two hot girls get together and lick each other or fuck each other with toys. it just doesn't get any better than that.

— Harmon, GA

It's not what it looks like

I'm writing as a lesson for all you men and women if you decide to cheat on your significant other. A couple months ago I had to attend a meeting at a hotel conference center near the airport. Some material I needed was at the house, which is on the way to the hotel, so I stopped in to pick them up. I noticed my husband's car in the driveway and thought her had come home from work early. When I walked into the house and into the bedroom looking for him, I found him (the bastard) with another woman. He sat up, completely still, while she covered herself with our sheets. I quickly dropped my things and darted towards the bitch, pulling her by the hair and screaming at her. My husband, on the other hand, said nothing and just sat there. Within several minutes of attacking the bitch, she ran out while I stood in the doorway of our bedroom looking back at him once again waiting for him to say something.

"Baby, it's just not what it looks like." He whimpered, but I hushed him putting my lips against his, sliding my tongue along them. "I know this happened because I'm working to much?" I pouted, pulling off my blouse and bra. He looked dumbfounded. "I'll show you there's no other woman out there but me." I moaned grinding his already erect cock. I lifted my skirt and massaged my clitoris "Ahh!" I whined as his lips found my neck. I was already soaking through my panties and he'd been growing impatient, I gripped his cock and pressed it against my pussy, pushing it inside me. After adjusting myself, I began bouncing on his cock, riding him hard.

I cried "Harder, do it harder." as his sex

ground into mine and not too much later his hand struck my ass. Again. And then again. I rode him faster and faster, grinding my pelvis into his, massaging my clit against the base of his cock and I heard him grunt as he began to fill me. It was a thick load and it overflowed outside of my pussy. A few thrusts later and I finally achieved mine, squirting onto his cock and falling onto his chest. "I love you." I panted before kissing his cheek. I went down and began to lap up our cum and he grew hard once again. I gripped him and sucked on his sloppy wet cock. I loved massaging his balls. I loved everything about them. I leaned down and sucked on them while his cock grew thicker and harder, I wanted to him to fuck my boobs. I pulled him to sit up but before he could question what I was doing I was rubbing the tip of his cock against my nipple. I pressed them together offering friction for his thrusts.

I loved it when he played with them because they were immensely sensitive. "Cum on my tits, please!" He shook his head at me and I pouted until he pulled me up and shoved me against the wall to press his cock to my pussy. I moaned as he thrust, and he covered my mouth with his and thrust harder. I moaned wrapping my legs around him, "Fuck meeeee!" He groaned and came inside me again but didn't slow down. His balls smacked against me and his panting grew heavy. Just the sounds threw me over edge and I squirted on his cock, screaming in ecstasy. I didn't attend my meeting that afternoon.

Summer's Hot!!!

Wow, man, when I saw the pictorial on Summer fucking this black guy I was really turned on. I'm a bit of a lipstick lesbian so it had to be pretty hot to do that to me. But it was Summer with her great face, smoking body and inviting pussy that did it for me. I just

had to show my lover and we decided to download the video and watch it that night. I brought the computer to the bed and put it between us as we fingered each other's pussies. Then after only ten minutes into it we lost track as we fucked each other silly.

— Lorraine, NY

We asked Cindy why so many German girls will do anal scenes. She turned around, lifted her skirt and pulled her panties down. Pulling her asscheeks apart, she looked back and asked, "You like? I think I'm the perfect fuck-buddy. I'm kinda like the female teddy bear of sex. You want me propped on the pillows of your bed at night waiting for you to get in so you can grab me and we can cuddle. Then I turn into the grizzly bear of sex. Hungry for your meat. I saw her swimsuit laying on the ground next to the whirlpool and she was sitting naked beside him laughing and talking...

Stan and she and me

It's a Thursday night in the middle of winter and I'm sitting in front of my computer trying to write about one of the most amazing weeks of my life! My good friend of twenty-five years, Stan, came to visit me for a week. We played tennis and some golf and took to hiking a wilderness park a couple miles from my house. Stan wasn't used to all the walking and exercise I put him through as we explored parts of the local wilderness. When we returned from the jaunt, Stan and my wife, Maria broke into the beer he bought the day before. He said his feet were quite sore and would love it if he could go into the whirlpool and relax. Maria and I joined him and put on some background music.

Maria sat between Stan and me in the spa. Stan and I had shorts on and Maria was in a swimsuit. We all kicked back talking and sipping brews. Maria put her feet up on the edge of the pool and asked us to massage her feet. Stan rubbed and had been moving up her leg rapidly while I was still rubbing her sole and heel. She put her head back with her eyes closed as his hands were up to her thigh. That got my attention and I figured it was time to help me introduce him to my wife more intimately. I grabbed his hand and guided it over her swimsuit-covered pussy. I moved the spandex fabric aside and inserted my finger between her labia and over her clit. I looked over to my friend who was smiling ear to ear. Having finished our drinks, I decided to go into the house to grab a round of beers for everyone.

Upon returning, it seemed as if Stan had gotten better acquainted with my wife. I saw her swimsuit laying on the ground next to the whirlpool and she was sitting naked beside him laughing and talking while rubbing his feet! I suggested he join me as we each suckled at her breasts. Maria reached down and helped us

each remove our swim trunks and tossed them out of the spa. It was an absolutely erotic scene that was consented to by all of us. It seemed as if Maria was thoroughly enjoying being fondled by two men. I enjoyed seeing my best friend appreciate my wife, and he was enjoying have a female who desired his touch and attention. I watched his hand slide back into the depths of her labia to stroke her clit. We caressed her and she returned the favor to both of us. The outside was starting to get as hot as the bubbly water so she thought we would all be more comfortable inside the house, maybe go up to the bedroom?

We got out and dried off and made a naked parade into the house and up the stairs. As she lay on the bed, Stan and I followed and gave her oral attention between sips of our drinks. She told Stan to put on a condom that we have in the drawer. Well, it wasn't a minute later that his covered cock entered my wife. It was the first time she had allowed another man inside her. He complained that he couldn't feel anything, but I knew that was a lie. Maria was giving me a handjob as I watched Stan thrust into Maria. She asked me how I felt having my best friend fucking her. I told her it was hot. Stan and I high-fived one another as he continued his assault on her pussy. Sadly for Maria, it was almost over too soon as Stan emptied his semen into the tip of the condom as he held himself inside

He got more than expected when Maria joined us, this time none of us wore swimsuits as we entered the water.

back onto her back. Immediately, Stan jumped back between her legs and penetrated her pussy, but the condom he had come off, so he was doing her bareback without her approval. She was so exhausted that she didn't notice as his naked prick popped inside her vaginal canal. I continued to record the action as his hairy balls slapped against her anus. Maria asked Stan, "Am I bad?"

my slut wife. We switched places and I plowed into her pussy as she removed his condom and sucked his dribbling cock. What a horny sight it was to look at her lips locked around the head of his cock, knowing her tongue was lapping up Stan's cum. I realized she was probably not going to remember what she was doing, so I got up just long enough to grab the camcorder and began recording our actions. As it turned out, Stan didn't remember much, either.

After about ten minutes of hardcore fucking, I blasted my load into her vagina. Maria swung over and got on her hands and knees, telling Stan to get behind her, but she told him to put on a new condom. He started whining again, but she insisted. I laid on the bed and she sucked my dick as he tried to ram his semi-erect penis back into the abused hole of my spouse. His attempts at getting back inside were getting weak as it was late, everyone was tired and drunk, and Maria has a high ass due to her long legs, so Stan would only be able to penetrate her if he was on a booster seat. I told him to flip on his back and she could lower her cunt onto his face. He did as I instructed. Of course, he didn't realize that my cum would be leaking out as he licked her clit and sucked her pussy lips. The combination of our sex juices were getting swallowed by my best friend. Maria recognized the naughty act being committed and leaned up to kiss me hard on my lips as she got even wetter, dripping her cum-filled snatch into Stan's mouth.

After reaching yet another orgasm induced by the tongue lashing given by her new lover, Maria flipped

She was in total ecstasy as I smacked her buttock that was exposed as Stan was holding her ankles up by his neck. Stan pulled out and spewed a massive amount of semen onto the crotch and belly of Maria. She rubbed her hand through it and jammed it into her cunt. I jumped back in between her legs and imagined that I was helping to push his cum deeper inside. His cum was smeared on her belly and shaved pussy as I slammed hard into her. Within a few minutes, I did as Stan filmed the climax.

It was early morning we finally crashed. The next morning would be very interesting. I got up and made breakfast. Stan was very quiet around me, possibly ashamed that he took advantage of the situation. I reassured him that it was something we all wanted, we are all adults, and I wouldn't ever tell his wife. That eased his mind. He thought I would be mad at him, but once he discovered that he had helped fulfill one of my fantasies and made Maria feel good, he was more relaxed. The next night was without incident as we all still tired and hung over from the night before, but the following night, he wanted to go back into the spa to relax his leg muscles from the hike he and I took earlier that day. He wasn't used to getting that level of exercise. He got more than expected when Maria joined us, this time none of us wore swimsuits as we entered the water.

The beers emptied and I went back into the kitchen to get a few more. It came as no shock, though, when I came back out to see my wife mounted on Stan in the spa. She was grinding her pussy onto his stiff cock.

She then moves her mouth over the head and slowly pushes my cock deep down her mouth and throat, making her gag a little before sliding it out.

She leaned into him allowing him to suck her nipples as she braced herself. Within seconds, he was blasting his cum into her pussy, this time without any attempt to pull out. I was happy to see them both so ecstatic as they had a proper fuck. I was looking forward to feeling my cock enter her pussy. Maria was absolutely loving being a cum slut. I knew this was something she never would have done with someone else. I laughed out loud at Stan, realizing how quickly he shoots his load.

Maria looked at me as she slowly rolled her tongue up and down my long shaft, covering it with her saliva. She teased my cock head a little by flicking her tongue up and down against it. The sensation caused my body to jump a little from the sensation. She then moves her mouth over the head and slowly pushes my cock deep down her mouth and throat, making her gag a little before sliding it out. I moan as one hand massages her breasts and the other rests on her head. Stan watched as her saliva dripped from her mouth and covered my cock and balls.

As Maria continued to suck on my cock slowly as she grabbed my hand and slid it down over her pussy. My fingers began to rub over her moist lips, pushing against them as I slid them up and down. Stan's eyes watching us as she stroked and sucked my cock slowly, covering it with her spit. I slid down flat on the bed, lifting her up onto my face and burying it deep into her dripping and slimy wet pussy. Maria shouted as I lifted her on top of me and pushed my tongue deep and hard into her pussy as I felt her hands move back down to cock. My tongue working slowly at first, slid-

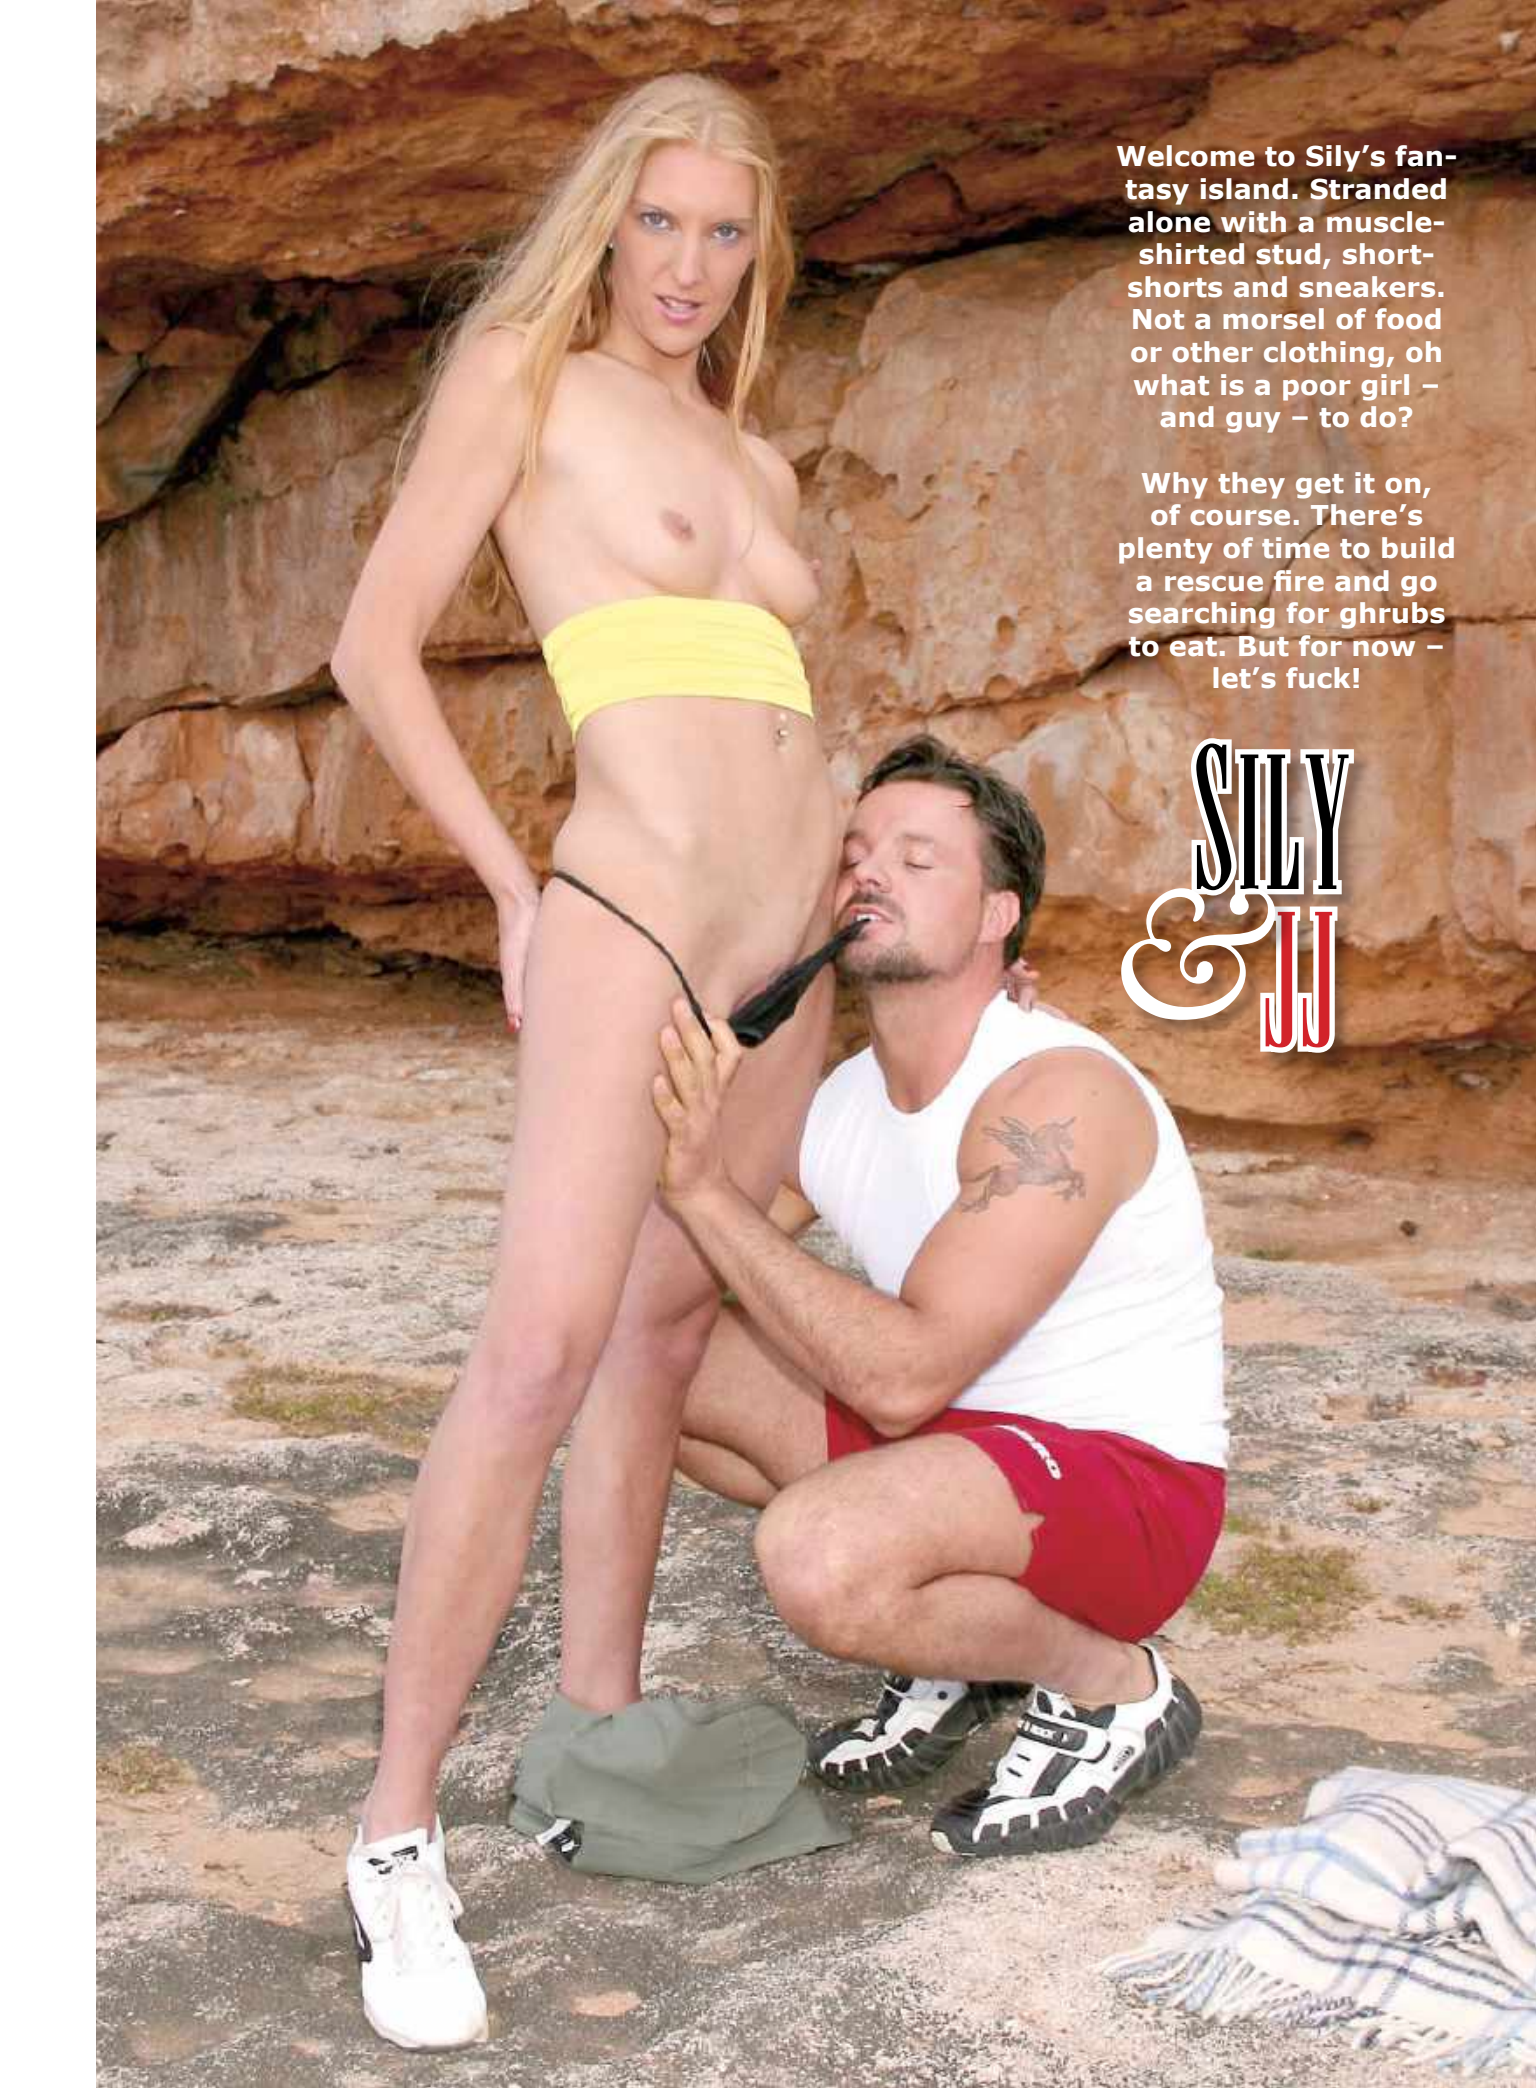

ing in and out against her pussy lips, till I found the clit. I began to flick my tongue against it. Maria leaned forward and moved her body against my tongue as she stroked my cock, keeping it wet and hard. My hands grabbed her ass as I licked her pussy up and down, sucking hard on her clit. My hand smacked her ass hard, grabbing it as I continued on assault on her dripping cunt. She came all over my mouth and finished me

off with a slippery hand job that was second to none!

Stan's week ended and when we dropped him off at the airport, it was rather awkward because Maria didn't know whether to just give him a hug or a loving kiss. My best friend and I have shared many things together over the past quarter-century, and I think it doesn't get much more "sharing" than to share a wife. He was not looking forward to returning to his own wife who neglects and uses him, which is why Maria said she wanted to treat him to a little fun. He said he'd be anxiously waiting for his next visit. In fact, he said if he wasn't married, he'd be moving here. I told him I didn't think we could share her forever. Maria and I have been having a greater sex life since he left. She tells me that she thinks about him and wants us to give her the double penetration I promised her a long time ago. Maybe next time, I told her.

I've finished my story and am going to put the computer away because I hear her coming up the stair. It's time for a little massage to get us in the mood and then hours of beautiful married bliss.

"Hi baby, come in. I finished the story. Wanna read it?"

Welcome to Sily's fantasy island. Stranded alone with a muscle-shirted stud, short-shorts and sneakers. Not a morsel of food or other clothing, oh what is a poor girl – and guy – to do?

Why they get it on, of course. There's plenty of time to build a rescue fire and go searching for ghrubs to eat. But for now – let's fuck!

& JJ
